Dear Mr. Spasovski,

This letter is to applaud you for your efforts and commitment to Building 216 in Edison, New Jersey for your Professional ability to do excellent work in performing and servicing our project.

Building 216 is an 80,000 S.F. of Warehouse space used by the Middlesex County Purchasing Department, Prosecutor's Office and Health Department.

The project consisted of new water line, new sewer service, storm utilities, masonry restoration, partial roof replacement, structural roof deck repair and total Roof restoration, new electrical improvement, mechanical, plumbing, sprinkler systems, interior finishes and exterior restoration.
