Dear Mr. Spasovski:

Please let this letter serve as a reference for successfully completing the Lobby, Gym and Toilets renovation projects completed this past summer at our high school. The project total was more than a million dollars and included some of our most difficult spaces. Based on our experience, Pal-Pro did an outstanding job accommodating our requests and overcoming challenges that happen in the construction field. Your team was always available and very responsive.

Our district has high standards and is very pleased with the work performed. Thanks to the hard work of Pal-Pro, the gym ceiling and lobby are truly impressive spaces that the district is extremely proud of. We look forward to the possibility of working with you on future projects.

Please contact me if anyone is in need of additional information or would like to see the projects.

Sincerely,

Thomas W. O'Hern

Business Administrator/Board Secretary
