Re: Letter of reference for Pal-Pro Builders, LLC

I am writing this letter to inform you of the excellent job that Pal-Pro Builders, LLC did for the Randolph Township Schools. We are very satisfied with the work that they have done for us.

The project that Pal-Pro Builders, LLC did for us was to remodel two music rooms with dedicated practice rooms. This project was especially difficult because it involved removing cement risers from within the original rooms. This needed to be done mostly by hand with the concrete being taken out manually by wheelbarrow. Even with this challenging aspect the job was completed in a timely manner and within our original budget.

Based on the outcome of this project, I would have no reservations about awarding a future contract to Pal-Pro Builders, LLC.

Sincerely,

A handwritten signature in cursive script that reads "Gerald M. Eckert".
